Dated 8-7-1910

In continuation of this office Nos 7 of 10 1/09 and 47 of 16 4/09 respectively, I beg to report the urgent need of repairs to the dispensary at Guadlupet. I beg to report that this dispensary is very badly in need of repairs & construction of ceiling to the roof of the building inside and compound walls both to the dispensary and to the dead house. without which the dispensary cannot be kept in a good Sanitary Condition

Causes
i.e
(1) From want of repairs for the last 5 or 6 years the walls are filthy and the colors have entirely faded and the doors & windows have lost hinges & locks

(2) From want of ceiling to the roof of the building

4

inside; it is very difficult to avoid the nuisance committed by the sparrows & birds & bats take shelter within the Dispy. that is the excreta fall over the head of the persons sitting & sometimes the eggs & the dead & putrefied young ones fall over the medicines when Compounding

(3) From the want of Compound walls or wire fencing, it is alluded to the Visitors' book by the Civil Surgeons & Senior Surgeon that Visited the Dispy. that the premises give access to all unwelcome Visitors. This is true that Cattle & donkeys always remain during night times & make the surroundings daily in a most insanitary Condition

(4) From the want of a side wall across a small Compound to the dead room it is very difficult to avoid the public view during the performance of Post-Mortem examination.

I beg to remain
Sir
Your humble Servant
